St. John's Families,

Our 9th annual fall dinner is almost upon us! This is a great family event, and one of our most important fundraisers of the year! Each class has been assigned a basket theme and we would like all students to contribute an item, large or small. These baskets will then be part of the evening's silent auction. If you don't have time to shop, Kh. Christine Rogers would be happy to take care of it for you ~ just send in the amount you'd like to spend.

Other quality Silent Auction items are always welcome. If you have something you'd like to donate or know of a local artist or business that would like to donate an item or a service, please bring it in.
